Dam: _____ **Registration #** _____

Age of mare: _____ **Color:** _____

Breeding Status: Date of Last Foal ____ Maiden__ Slipped ____ Not bred__ Other ____
The undersigned, owner of above mare, hereby agrees with Candice Slagel & Dorothy Schmidt (stallion owners), that mare owner has reserved a booking for mare to be bred to stallion during the 2__ breeding season in accordance with the following understandings and agreements. Stud fee for such service shall be \$_____, payable \$_____ as booking fee and balance of \$_____ before mare leaves stallion facility. All mares will be serviced on availability of stallion. Mare owner hereby agrees to have said mare examined for pregnancy by qualified veterinarian 40-50 days after last breeding date. Result of said exam to be filed in writing with Stallion owner. Return privileges through current breeding season. None of the above mentioned fees shall be refundable, but after receipt of stud fee \$_____, stallion owner guarantees a return breeding the following season of said mare should live foal not result. This is to be evidenced by a written statement from a qualified veterinarian within 10 days of death. If above mare dies while in foal, stallion owners are not responsible for the live foal guarantee.

Daily Board Fee: \$_____ Wet ; \$_____ Dry; All board fees, shoeing, veterinary fees, etc., must be paid in full before mare leaves.

Cooled Semen Clause: Mare owner shall pay \$_____ fee for any cooled semen shipment. Fee includes collection, shipping & any other costs incurred by stallion owner. The fee of \$ _____ will be paid in full to stallion owner before semen is collected & shipped. The mare owner will also be charged for each collection and shipping ordered. This fee is not part of the original breeding fee. Semen will be shipped via Federal Express or UPS. Mare owner will be charged \$_____ for the shipping container and will be refunded \$_____ when the container is returned to attending veterinarian of stallion owner or stallion owners themselves.

Mare owner should have said mare examined and/or inoculated prior to arrival at the stallion facility for virus abortion, flu, worms and tetanus. Mare needs to have a negative uterine culture. Mare owner shall agree that if any said examination or inoculations are

not completed prior to mare's arrival, they can be done by the qualified veterinarian used by the stallion owner's at the mare owner's expense, if needed.

Candice Slagel, Dorothy Schmidt and their agents assume no liability whatsoever for a mare that will not breed, cannot or does not conceive, or for any accident, injury, sickness or death of the mare or foal. Mare owner releases Candice Slagel, Dorothy Schmidt and their agents from all such Liability, damage, cost and expense. Mare owner shall not be responsible for injury or accident to Stallion and Candice Slagel and Dorothy Schmidt releases said mare owner for all such liability.

This agreement shall not be assigned or transferred and there shall be no substitution for mare without approval.

Once this is signed it shall become a binding contract.
